The bonds shall bear interest at the rate of 5.875% per annum and shall mature on December 1, 2006. The Bonds shall be subject to mandatory sinking fund redemption on December 1 in the years and in the amounts as follows:

<u>Year</u> <u>(December 1)</u>	<u>Principal</u> <u>Amount</u>	<u>Year</u> <u>(December 1)</u>	<u>Principal</u> <u>Amount</u>
1994	\$ 50,000	2001	\$ 80,000
1995	55,000	2002	85,000
1996	60,000	2003	90,000
1997	60,000	2004	95,000
1998	65,000	2005	100,000
1999	70,000	2006 (maturity)	105,000
2000	75,000		

The bonds shall be dated June 15, 1993 and shall be issuable only as fully registered bonds without coupons in the denomination of \$5,000 or any integral multiple thereof. Unless the City shall otherwise direct, the bonds shall be numbered from 1 upward in order of issuance. Each bond shall have a CUSIP number.

Interest on the bonds shall be payable on December 1, 1993, and semiannually thereafter on June 1 and December 1 of each year. Payment of each installment of interest shall be made to the person in whose name the bond is registered on the registration books of the City maintained by River Valley Bank & Trust, Lavaca, Arkansas, as Trustee and Paying Agent (the "Trustee"), at the close of business on the fifteenth day of the month (whether or not a business day) next preceding each interest payment date (the "Record Date"), irrespective of any transfer or exchange of any such bond subsequent to such Record Date and prior to such interest payment date.

Each bond shall bear interest from the payment date next preceding the date on which it is authenticated unless it is authenticated on an interest payment date, in which event it shall bear interest from such date, or unless it is authenticated prior to the first interest payment date, in which event it shall bear interest from June 15, 1993, or unless it is authenticated during the period from the Record Date to the next interest payment date, in which case it shall bear interest from such interest payment date, or unless at the time of authentication thereof interest is in default thereon, in which event it shall bear interest from the date to which interest has been paid.

Only such bonds as shall have endorsed thereon a Certificate of Authentication substantially in the form set forth in Section 6 hereof (the "Certificate") duly executed by the Trustee shall be entitled to any right or benefit under this Ordinance. No bond shall be valid and obligatory for any purpose unless and until the Certificate shall have been duly executed by the Trustee, and the Certificate upon any such bond shall be conclusive evidence that such bond has been authenticated and delivered under this Ordinance. The Certificate on any bond shall be deemed to have been executed if signed by an authorized officer

of the Trustee, but it shall not be necessary that the same officer sign the Certificate on all of the bonds.

In case any bond shall become mutilated or be destroyed or lost, the City, shall, if not then prohibited by law, cause to be executed and the Trustee may authenticate and deliver a new bond of like date, number, maturity and tenor in exchange and substitution for and upon cancellation of such mutilated bond, or in lieu of and in substitution for such bond destroyed or lost, upon the owner paying the reasonable expenses and charges of the City and Trustee in connection therewith, and, in the case of a bond destroyed or lost, his filing with the Trustee evidence satisfactory to it that such bond was destroyed or lost, and of his ownership thereof, and furnishing the City and Trustee with indemnity satisfactory to them. The Trustee is hereby authorized to authenticate any such new bond. In the event any such bond shall have matured, instead of issuing a new bond, the City may pay the same without the surrender thereof. Upon the issuance of a new bond under this Section 4, the City may require the payment of a sum sufficient to cover any tax or other governmental charge that may be imposed in relation thereto and any other expenses (including the fees and expenses of the Trustee) connected therewith.

The City shall cause books for the registration and for the transfer of the bonds as provided herein and in the bonds. The Trustee shall act as the bond registrar. Each bond is transferable by the registered owner thereof or by his attorney duly authorized in writing at the principal office of the Trustee. Upon such transfer a new fully registered bond or bonds of the same maturity, of authorized denomination or denominations, for the same aggregate principal amount will be issued to the transferee in exchange therefor.

No charge shall be made to any owner of any bond for the privilege of transfer or exchange, but any owner of any bond requesting any such transfer or exchange shall pay any tax or other governmental charge required to be paid with respect thereto. Except as otherwise provided in the immediately preceding sentence, the cost of preparing each new bond upon each exchange or transfer and any other expenses of the City or the Trustee incurred in connection therewith shall be paid by the City. The City shall not be required (i) to issue, transfer or exchange any bond during a period beginning at the opening of business 15 days before any selection of bonds of that maturity for redemption and ending at the close of business on the day of the first mailing of the relevant notice of redemption, or (ii) to transfer or exchange any bonds selected for redemption in whole or in part.

The person in whose name any bond shall be registered shall be deemed and regarded as the absolute owner thereof for all purposes, and payment of or on account of the principal or premium,

if any, or interest of any bond shall be made only to or upon the order of the registered owner thereof or his legal representative, but such registration may be changed as hereinabove provided. All such payments shall be valid and effectual to satisfy and discharge the liability upon such bond to the extent of the sum or sums so paid.

In any case where the date of maturity of interest on or principal of the bonds or the date fixed for redemption of any bonds shall be a Saturday or Sunday or shall be in the State a legal holiday or a day on which banking institutions are authorized by law to close, then payment of interest or principal (and premium, if any) need not be made on such date but may be made on the next succeeding business day with the same force and effect as if made on the date of maturity or the date fixed for redemption, and no interest shall accrue for the period after the date of maturity or date fixed for redemption.

Section 5. The bonds shall be executed on behalf of the City by the manual or facsimile signatures of the Mayor and City Clerk and shall have impressed or imprinted thereon the seal of the City. The bonds, together with interest thereon, are secured by and are payable solely from revenues derived from the System ("Revenues"). Revenues are hereby pledged and mortgaged for the equal and ratable payment of the bonds on a parity of lien, pledge and security with the 1975 Bonds. The pledge of Revenues in favor of the bonds is subordinate to the pledge in favor of the 1968 Bonds. The bonds and interest thereon shall not constitute an indebtedness of the City within any constitutional or statutory limitation.

Section 6. The bonds and the Certificate shall be in substantially the following form and the Mayor and City Clerk are hereby expressly authorized and directed to make all recitals contained therein:

This bond is one of an issue of City of Barling, Arkansas Water and Sewer Revenue Bonds, Series 1993, aggregating Nine Hundred Ninety Thousand Dollars (\$990,000) in principal amount (the "bonds"), and is issued for the purpose of financing the costs of the acquisition, construction and equipping by the City of extensions, betterments and improvements to the water facilities of the City's water and sewer (combined) system (the "System") and

paying expenses incidental thereto and to the authorization and issuance of the bonds.

The bonds are issued pursuant to and in full compliance with the Constitution and laws of the State of Arkansas (the "State"), including particularly Title 14, Chapter 234, Subchapter 2 and Title 14, Chapter 235, Subchapter 2 of the Arkansas Code of 1987 Annotated and applicable decisions of the Supreme Court of Arkansas, including particularly City of Harrison v. The bonds are not general obligations of the City, but are special obligations payable solely from the revenues derived from the operation of the System, subject to the pledge in favor of the City's Water System Revenue Bonds, Series 1968, dated February 1, 1968, so long as such bonds are outstanding. In this regard, the bonds are issued on a parity as to lien, pledge and security with the City's Water and Sewer Revenue Bonds, dated February 20, 1975, so long as such bonds are outstanding. An amount of System revenues sufficient to pay the principal of and interest on the bonds has been duly pledged and set aside into the 1974 Water and Sewer Revenue Bond Fund created by the Authorizing Ordinance. Reference is hereby made to the Authorizing Ordinance for a detailed statement of the terms and conditions upon which the bonds are issued, of the nature and extent of the security for the bonds, and the rights and obligations of the City, the Trustee and the registered owners of the bonds. The City has fixed and has covenanted and agreed to maintain rates for the services of the System which shall be sufficient at all times to provide for the proper and reasonable expenses of operation and maintenance of the System and for the payment of the principal of and interest on the bonds, including Trustee's fees, as the same become due and payable, to establish and maintain a debt service reserve and to make the required deposit for the depreciation of the System.

(REFERENCE IS HEREBY MADE TO FURTHER PROVISIONS OF THIS BOND ON THE REVERSE SIDE HEREOF WHICH HAVE THE SAME EFFECT AS IF SET FORTH IN THIS PLACE.)

THE CITY HAS DESIGNATED THIS BOND AS A "QUALIFIED TAX-EXEMPT OBLIGATION" WITHIN THE MEANING OF SECTION 265 OF THE INTERNAL REVENUE CODE OF 1986, AS AMENDED.

IN WITNESS WHEREOF, the City of Barling, Arkansas has caused this bond to be executed by its Mayor and City Clerk, their facsimile signatures thereunto duly authorized and its corporate seal to be impressed or imprinted on this bond, all as of the Dated Date shown above.

CITY OF BARLING, ARKANSAS
WATER AND SEWER
REVENUE BOND, SERIES 1993

The bonds shall be subject to extraordinary, optional and mandatory sinking fund redemption as follows:

1. The bonds shall be redeemed from proceeds of the bonds which are not needed for the purposes intended, in whole or in part, on any interest payment date, in inverse order of maturity (and by lot within a maturity in such manner as the Trustee shall determine), at a price equal to the principal amount being redeemed plus accrued interest to the redemption date.

2. The bonds may be redeemed at the option of the City, in whole or in part, from funds from any other source, in inverse order of maturity (and by lot within a maturity in such manner as the Trustee shall determine) on any interest payment date on and after December 1, 1998, at a price equal to the principal amount being redeemed plus accrued interest to the redemption date.

3. To the extent not previously redeemed, the bonds are subject to mandatory sinking fund redemption by lot in such manner as the Trustee shall determine, on December 1 in each of the years and in the amounts set forth below, at a redemption price equal to the principal amount being redeemed plus accrued interest to the date of redemption:

<u>Year</u> <u>(December 1)</u>	<u>Principal</u> <u>Amount</u>	<u>Year</u> <u>(December 1)</u>	<u>Principal</u> <u>Amount</u>
1994	\$ 50,000	2001	\$ 80,000
1995	55,000	2002	85,000
1996	60,000	2003	90,000
1997	60,000	2004	95,000
1998	65,000	2005	100,000
1999	70,000	2006 (maturity)	105,000
2000	75,000		

The provisions for mandatory sinking fund redemption of the bonds are subject to the provisions of the Authorizing Ordinance which permit the City to receive credit for bonds previously redeemed or for bonds acquired by the City and surrendered to the Trustee.

In case any outstanding bond is in a denomination greater than \$5,000, each \$5,000 of face value of such bond shall be treated as a separate bond of the denomination of \$5,000.

Notice of redemption identifying the bonds or portions thereof (which shall be \$5,000 or a multiple thereof) to be redeemed shall be given by the Trustee, not less than 30 nor more than 60 days prior to the date fixed for redemption, by mailing a copy of the redemption notice by first class mail, postage prepaid, to all registered owners of bonds to be redeemed. Failure to mail an appropriate notice or any such notice to one or more registered owners of bonds to be redeemed shall not affect the validity of the proceedings for redemption of other bonds as to which notice of redemption is duly given in proper and timely fashion. All such bonds or portions thereof thus called for redemption and for the retirement of which funds are duly provided in accordance with the Authorizing Ordinance prior to the date fixed for redemption will cease to bear interest on such redemption date.

This bond is transferable by the registered owner hereof in person or by his attorney-in-fact duly authorized in writing at the principal corporate trust office of the Trustee, but only in the manner, subject to the limitations and upon payment of the charges provided in the Authorizing Ordinance, and upon surrender and cancellation of this bond. Upon such transfer a new fully registered bond or bonds of the same maturity, of authorized denomination or denominations, for the same aggregate principal amount, will be issued to the transferee in exchange therefor. This bond is issued with the intent that the laws of the State shall govern its construction.

The City and the Trustee may deem and treat the registered owner hereof as the absolute owner hereof for the purpose of receiving payment of or on account of principal hereof and premium, if any, hereon and interest due hereon and for all

other purposes, and neither the City nor the Trustee shall be affected by any notice to the contrary.

The bonds are issuable only as fully registered bonds in the denomination of \$5,000, and any integral multiple thereof. Subject to the limitations and upon payment of the charges provided in the Authorizing Ordinance, fully registered bonds may be exchanged for a like aggregate principal amount of fully registered bonds of the same maturity of other authorized denominations.

IT IS HEREBY CERTIFIED, RECITED AND DECLARED that all acts, conditions and things required to exist, happen and be performed precedent to and in the issuance of the bonds do exist, have happened and have been performed in due time, form and manner as required by law; that the indebtedness represented by the bonds, together with all obligations of the City, does not exceed any constitutional or statutory limitation; and that the above referred to revenues pledged to the payment of the principal of and premium, if any, and interest on the bonds as the same become due and payable will be sufficient in amount for that purpose.

This bond shall not be valid or become obligatory for any purpose or be entitled to any security or benefit under the Authorizing Ordinance until the Certificate of Authentication hereon shall have been signed by the Trustee.

Section 7. The rates charged for services of the System heretofore fixed by ordinances of the City and the conditions, rights and obligations pertaining thereto, as set out in those Ordinances, are hereby ratified, confirmed and continued.

The City covenants and agrees that the rates shall never be reduced while any of the bonds are outstanding unless there is obtained from an independent certified public accountant ("Accountant") a certificate that the Net Revenues of the System ("Net Revenues" being defined as gross Revenues less the expenses of operation and maintenance of the System, including all expense items properly attributable to the operation and maintenance of the System under generally accepted accounting principles applicable to municipal water and sewer facilities, excluding depreciation, interest and bond amortization expenses), with the reduced rates, will always be equal to the amount required to be set aside for the Depreciation Fund (hereinafter identified), and leave a balance equal to at least 125% of the aggregate average annual principal and interest requirements on all outstanding bonds payable from System revenues ("System Bonds"). The City further covenants and agrees that the rates shall, if and when necessary, from time to time, be increased in such manner as will produce Net Revenues at least equal to 120% of the aggregate average annual principal and interest requirements on all System Bonds, which Net Revenues shall also be sufficient to deposit the amounts required to be paid into the Depreciation Fund in accordance with the 1975 Ordinance.

Section 8. Since the security for the bonds is on a parity of the lien, pledge and security with the 1975 Bonds, the bonds are to have the benefit of and are to be governed by the 1975 Ordinance except those provisions clearly inconsistent herewith or inapplicable hereto, including, without limitation, the provisions pertaining to the establishment and charging of rates for services of the System, the collection, depositing, investing, securing, disbursing and handling of Revenues and funds, and the operation,

maintenance, insurance and care of the System, are hereby made applicable hereto and are incorporated herein by reference as though fully set forth at this point. The effect of the above covenant shall be to continue the applicable provisions in full force and effect even after the payment of the 1975 Bonds and until the bonds are paid, or provision made therefor. In this regard, the following funds created by the 1975 Ordinance are hereby confirmed and continued: (1) Water and Sewer Revenue Fund (the "Revenue Fund"); (2) the Water and Sewer Operation and Maintenance Fund (the "Operation and Maintenance Fund"); (3) the Water and Sewer Depreciation Fund (the "Depreciation Fund"); and (4) the 1974 Water and Sewer Revenue Bond Fund (the "Bond Fund"). The City agrees that the required level for the Depreciation Fund shall be increased from \$5,000 to \$10,000. In addition, the Water System Revenue Bond and Interest Sinking Fund maintained in accordance with the 1968 Ordinance (the "1968 Bond Fund") is hereby confirmed and continued.

Section 9. After making the payments into the 1968 Bond Fund and the Operation and Maintenance Fund, there shall be paid from the Revenue Fund into the Bond Fund, in addition to the monthly payments required by the 1975 Ordinance, on the first business day of each month, commencing July 1, 1993, until all outstanding bonds, with interest thereon, have been paid in full or provision made for such payment a sum equal to 1/6 of the next installment of interest due on the bonds and 1/12 of the next installment of principal on the bonds; provided, however, such payments shall be adjusted in order to provide sufficient funds to make the first interest payment and the first principal payment.

The City shall also pay into the Bond Fund such additional sums as necessary to provide for the Trustee's fees and expenses. The City shall receive a credit against monthly payments to the extent of Bond proceeds deposited into the Bond Fund, interest earnings on moneys in the Bond Fund and transfers made therein from earnings on moneys in the Debt Service Reserve.

The required level for the Debt Service Reserve in the Bond Fund is hereby increased to an amount equal to the maximum annual principal and interest requirements on the bonds, the 1975 Bonds and any parity bonds subsequently issued or 10% of the proceeds of such bonds, whichever is lesser, and the City shall make the increased monthly payments equal to 1/5 of the next installment of interest on the bonds and 1/10 of the next installment of principal on the bonds until the required level is reached.

If for any reason there shall be a deficiency in the payments made into the Bond Fund so that there are unavailable sufficient moneys therein to pay the principal of, premium, if any, and interest on the bonds or the 1975 Bonds as the same become due, any sums then held in the Debt Service Reserve shall be used to the

extent necessary to pay such principal, premium, interest and fees of any trustee or paying agent, but the Debt Service Reserve shall be reimbursed in the amount of any such payment as described above. The Debt Service Reserve shall be used solely as herein described, but the moneys therein may be invested as set forth below. Any earnings on moneys in the Debt Service Reserve which increase the amount therein above the required level shall be transferred into the Bond Fund.

It shall be the duty of the City to cause to be withdrawn from the Bond Fund at least two (2) days before the due date of any principal and/or interest on any bond, at maturity or redemption prior to maturity, and deposited with the Trustee an amount equal to the amount of such bond and interest due thereon for the sole purpose of paying the same, together with the Trustee's fee. No withdrawal of funds from the Bond Fund shall be made for any other purpose except as otherwise authorized in this Ordinance and the 1975 Ordinance.

The bonds and the 1975 Bonds shall be specifically secured on a parity of security by a pledge of all Revenues required to be placed into the Bond Fund. This pledge in favor of the bonds and the 1975 Bonds is hereby irrevocably made according to the terms of this Ordinance, and the City and its officers and employees shall execute, perform and carry out the terms thereof in strict conformity with the provisions of this Ordinance.

Section 10. So long as any of the bonds are outstanding, the City shall not issue or attempt to issue any bonds claimed to be entitled to a priority of lien on Revenues over the lien securing the bonds. The City reserves the right to issue additional bonds to finance or pay the cost of constructing any future extensions, betterments or improvements to the System or to refund obligations payable from Revenues, but the City shall not authorize or issue any such additional bonds ranking on a parity of security with the bonds unless and until there shall have been procured and filed with the City Clerk and the Trustee a statement by an Accountant reciting the opinion based upon necessary investigation that (1) Net Revenues of the System for the fiscal year immediately preceding the fiscal year in which it is proposed to issue such additional bonds shall equal not less than 125% of the average annual principal and interest requirements on all of the then outstanding System Bonds and the additional bonds then proposed to be issued or (2) Net Revenues of the System for the fiscal year next succeeding the fiscal year in which it is proposed to issue such additional bonds, as reflected by a statement by an independent consulting engineer not in the regular employ of the City and approved by the Trustee, and taking into account any rate increase then in effect, will equal not less than 125% of the average annual principal and interest requirements on all then outstanding System Bonds and the additional bonds then proposed to be issued. For the purpose of this computation, additional amounts may be added to the Net Revenues of the completed fiscal year immediately preceding the issuance of additional bonds, as

follows: If, prior to the issuance of the additional bonds and subsequent to the first day of such preceding fiscal year, the City shall have increased its rates or charges imposed for services of the System, there may be added to the Net Revenues of such fiscal year the additional Net Revenues which would have been received from the operation of the System during such fiscal year had such increase been in effect throughout such fiscal year, as reflected by a certificate of a duly qualified consulting engineer not in the regular employ of the City and approved by the Trustee.

Section 11. The insurance policies required by Section 24 of the 1975 Ordinance are to carry a clause making them payable to the Trustee as its interest may appear, and satisfactory evidence of said insurance shall be filed with the Trustee.

Section 12. The bonds shall be subject to redemption prior to maturity in accordance with the terms set out in the bond form. The City may acquire bonds by purchase at a price not in excess of par plus accrued interest, inclusive of brokerage fees, and surrender to the Trustee any bonds so acquired, in exchange for which the City shall receive a credit under this Ordinance in an amount equal to the principal amount of the bonds so acquired and surrendered, for and of the then next date for mandatory sinking fund redemption of bonds of the same maturity.

Section 13. The City will keep proper books of accounts and records (separate from all other records and accounts) in which complete and correct entries shall be made of all transactions relating to the operation of the System, and such books shall be available for inspection by the registered owner of any of the bonds at reasonable times and under reasonable circumstances. The City agrees to have these records audited by an Accountant at least once each year, and a copy of the audit shall be delivered to the Trustee and made available to interested registered owners requesting the same in writing. In the event that the City fails or refuses to make the audit, the Trustee, or any registered owner of the Bonds, may have the audit made, and the cost thereof shall be charged against the Operation and Maintenance Fund.

Section 14. Any bond shall be deemed to be paid within the meaning of this Ordinance when payment of the principal of and interest on such bond (whether at maturity or upon redemption as provided herein, or otherwise), either (i) shall have been made or caused to be made in accordance with the terms thereof, or (ii) shall have been provided for by irrevocably depositing with the Trustee, in trust and irrevocably set aside exclusively for such payment (1) cash fully insured by the Federal Deposit Insurance Corporation ("FDIC") sufficient to make such payment and/or (2) direct obligations of (including obligations issued or held in book entry form on the books of) the Department of the Treasury of the United States of America ("Investment Securities") (provided that such deposit will not affect the tax exempt status of the interest on any of the bonds or cause any of the bonds to be classified as "arbitrage bonds" within the meaning of Section 148 of the Internal

Revenue Code of 1986, as amended (the "Code")), maturing as to principal and interest in such amounts and at such times as will provide sufficient moneys to make such payment, and all necessary and proper fees, compensation and expenses of the Trustee shall have been paid or the payment thereof provided for to the satisfaction of the Trustee.

On the payment of any such bonds within the meaning of this Ordinance, the Trustee shall hold in trust, for the benefit of the owners of such bonds, all such moneys and/or Investment Securities.

When all the bonds shall have been paid within the meaning of this Ordinance, and if the Trustee has been paid its fees and expenses, the Trustee shall take all appropriate action to cause (i) the pledge and lien of this Ordinance to be discharged and cancelled, and (ii) all moneys held by it pursuant to this Ordinance and which are not required for the payment of such bonds to be paid over or delivered to or at the direction of the City. In determining the sufficiency of the deposit of Investment Securities there shall be considered the principal amount of such Investment Securities and interest to be earned thereon until the maturity of such Investment Securities.

Section 15. If there be any default in the payment of the principal of or interest on any of the bonds, or if the City defaults in any Bond Fund requirement or in the performance of any of the other covenants contained in this Ordinance, the Trustee may, and upon the written request of the registered owners of not less than 10% in principal amount of the then outstanding bonds, shall, by proper suit, compel the performance of the duties of the officials of the City under the laws of Arkansas. And in the case of a default in the payment of the principal of and interest on any of the bonds, the Trustee may and upon written request of the registered owners of not less than 10% in principal amount of the then outstanding bonds, shall apply in a proper action to a court of competent jurisdiction for the appointment of a receiver to administer the System on behalf of the City and the registered owners of the bonds with power to charge and collect (or by mandatory injunction or otherwise to cause to be charged and collected) rates sufficient to provide for the payment of the expenses of operation, maintenance and repair and to pay any bonds and interest outstanding and to apply the revenues in conformity with the laws of Arkansas and with this Ordinance. When all defaults in principal and interest payments have been cured, the custody and operation of the System shall revert to the City.

No registered owner of any of the outstanding bonds shall have any right to institute any suit, action, mandamus or other proceeding in equity or at law for the protection or enforcement of any power or right unless such owner previously shall have given to the Trustee written notice of the default on account of which such suit, action or proceeding is to be taken, and unless the registered owners of not less than 10% in principal amount of the

bonds then outstanding shall have made written request of the Trustee after the right to exercise such power or right of action, as the case may be, shall have accrued, and shall have afforded the Trustee a reasonable opportunity either to proceed to exercise the powers granted to the Trustee, or to institute such action, suit or proceeding in its name, and unless, also, there shall have been offered to the Trustee reasonable security and indemnity against the costs, expenses and liabilities to be incurred therein or thereby and the Trustee shall have refused or neglected to comply with such request within a reasonable time. Such notification, request and offer of indemnity are, at the option of the Trustee, conditions precedent to the execution of any remedy. No one or more registered owners of the bonds shall have any right in any manner whatever by his or their action to affect, disturb or prejudice the security of this Ordinance, or to enforce any right thereunder except the manner herein described. All proceedings at law or in equity shall be instituted, had and maintained in the manner herein described and for the benefit of all registered owners of the outstanding bonds.

No remedy conferred upon or reserved to the Trustee or to the registered owners of the bonds is intended to be exclusive of any other remedy or remedies, and every such remedy shall be cumulative and shall be in addition to every other remedy given under this Ordinance or by law.

The Trustee may, and upon the written request of the registered owners of not less than 50% in principal amount of the bonds then outstanding shall, waive any default which shall have been remedied before the entry of final judgment or decree in any suit, action or proceeding instituted under the provisions of this Ordinance or before the completion of the enforcement of any other remedy, but no such waiver shall extend to or affect any other existing or any subsequent default or defaults or impair any rights or remedies consequent thereon.

All rights of action under this Ordinance or under any of the bonds, enforceable by the Trustee, may be enforced by it without the possession of any of the bonds, and any such suit, action or proceeding instituted by the Trustee shall be brought in its name for the benefit of all the registered owners of such bonds, subject to the provisions of this Ordinance.

No delay or omission of the Trustee or of any registered owners of the bonds to exercise any right or power accrued upon any default shall impair any such right or power or shall be construed to be a waiver of any such default or an acquiescence therein; and every power and remedy given by this Ordinance to the Trustee and to the registered owners of the bonds, respectively, may be exercised from time to time and as often as may be deemed expedient.

In any proceeding to enforce the provisions of this Ordinance any plaintiff bondholder shall be entitled to recover

from the City all costs of such proceeding, including reasonable attorneys' fees.

Section 16. (a) The terms of this Ordinance shall constitute a contract between the City and the registered owners of the bonds and no variation or change in the undertaking herein set forth shall be made while any of these bonds are outstanding, except as hereinafter set forth in subsections (b) and (c), and the owner of any bonds may at any time for and on his own behalf or for and on behalf of all bondholders enforce the obligations of the City by a proper suit for that purpose.

(b) The Trustee may consent to any variation or change in this Ordinance to cure any ambiguity, defect or omission in this Ordinance or any amendment hereto without the consent of the owners of the outstanding bonds if the Trustee determines that such change or variation is not, in the Trustee's opinion, materially prejudicial to the interests of the owners of the bonds.

(c) The owners of not less than 75% in aggregate principal amount of the bonds then outstanding shall have the right, from time to time, anything contained in this Ordinance to the contrary notwithstanding, to consent to and approve the adoption by the City of such ordinance supplemental hereto as shall be necessary or desirable for the purpose of modifying, altering, amending, adding to or rescinding, in any particular, any of the terms or provisions contained in this Ordinance or in any supplemental ordinance; provided, however, that nothing contained in this Section shall permit or be construed as permitting (a) an extension of the maturity of the principal of or the interest on any bond, or (b) a reduction in the principal amount of any bond or the rate of interest thereon, or (c) the creation of a lien or pledge superior to the lien and pledge created by this Ordinance, or (d) a privilege or priority of any bond or bonds over any other bond or bonds, or (e) a reduction in the aggregate principal amount of the bonds required for consent to such supplemental ordinance.

Section 17. When the bonds have been executed, they shall be authenticated by the Trustee and the Trustee shall deliver the bonds to the Purchaser upon payment in cash of the Purchase Price. The accrued interest shall be remitted to the City Treasurer for deposit into the Bond Fund. The expenses of issuing the bonds as set forth in the delivery instructions to the Trustee signed by the Mayor and City Clerk shall also be paid from the Purchase Price. The remainder of the Purchase Price shall be remitted to the City Treasurer for deposit into a special account in the name of the City designated "Water and Sewer Revenue Bond Construction Fund, Series 1993" ("Construction Fund") in a depository that is a member of FDIC. The moneys in the Construction Fund in excess of the amount insured by FDIC shall be continuously secured by direct obligations of, or obligations the principal of and interest on which, are unconditionally guaranteed by the United States of America. The moneys in the Construction Fund shall be disbursed solely in payment of the costs of

accomplishing the improvements, paying necessary expenses incidental thereto, paying interest during construction and paying expenses of issuing the bonds. Disbursements shall be on the basis of checks or requisitions which shall contain at least the following information: the person to whom payment is being made; the amount of the payment; and the purpose by general classification of the payment. Each check or requisition must be signed by two persons designated by the City, and in the case of all construction costs, each check or requisition shall be accompanied by a certificate signed by the Manager of the System (the "Manager") certifying his approval thereof. In the case of requisitions, the depository shall issue its check upon the Construction Fund payable to the person, firm or corporation designated in the requisition. The depository of the Construction Fund shall be required to keep accurate records as to all payments made on the basis of requisitions, and the City shall be required to keep accurate records of all payments made on the basis of checks.

When the improvements have been completed and all required expenses paid and expenditures made from the Construction Fund for and in connection with the accomplishment of the improvements and the financing thereof, this fact shall be evidenced by a certificate signed by the Manager, which certificate shall state, among other things, the date of the completion and that all obligations payable from the Construction Fund have been discharged. A copy of the certificate shall be filed with the depository of the Construction Fund, and a copy with the Trustee, and upon receipt thereof the depository of the Construction Fund shall transfer any remaining balance to the Bond Fund.

Section 18. There shall be a statutory mortgage lien upon the water facilities which are part of the System (including all extensions, improvements and betterments now or hereafter existing) which shall exist in favor of the owners of the bonds, and each of them and such water facilities shall remain subject to such statutory mortgage lien until payment in full of the interest on and principal of the bonds, provided, however, that such statutory mortgage lien shall be interpreted according to the decision of the Supreme Court of the State in City of Harrison v. Braswell, supra.

Section 19. (a) The City covenants that it shall not take any action or suffer or permit any action to be taken or conditions to exist which causes or may cause the interest payable on the bonds to be included in gross income for federal income tax purposes. Without limiting the generality of the foregoing, the City covenants that the proceeds of the sale of the bonds and Revenues will not be used directly or indirectly in such manner as to cause the bonds to be treated as "arbitrage bonds" within the meaning of Section 148 of the Code.

(b) The City shall assure that (1) not in excess of 10% of the Net Proceeds of the bonds is used for Private Business Use

if, in addition, the payment of more than 10% of the principal or 10% of the interest due on the bonds during the term thereof is, under the terms of the bonds or any underlying arrangement, directly or indirectly secured by any interest in property used or to be used for a Private Business Use or in payments in respect of property used or to be used for a Private Business Use or is to be derived from payments, whether or not to the City, in respect of property or borrowed moneys used or to be used for a Private Business Use; and (ii) that, in the event that both (A) in excess of 5% of the Net Proceeds of the bonds are used for a Private Business Use, and (B) an amount in excess of 5% of the principal or 5% of the interest due on the bonds during the term thereof is, under the terms of the bonds or any underlying arrangement, directly or indirectly, secured by any interest in property used or to be used for said Private Business Use or in payments in respect of property used or to be used for said Private Business Use or is to be derived from payments, whether or not to the City, in respect of property or borrowed money used or to be used for said Private Business Use, then said excess over said 5% of Net Proceeds of the bonds used for a Private Business Use shall be used for a Private Business Use related to the governmental use of the improvements.

The City shall assure that not in excess of 5% of the Net Proceeds of the bonds are used, directly or indirectly, to make or finance a loan to persons other than state or local governmental units.

As used in this subsection (b), the following terms shall have the following meanings:

"Net Proceeds" means the face amount of the bonds, plus accrued interest and less any amounts deposited into the Debt Service Reserve from bond proceeds.

"Private Business Use" means use directly or indirectly in a trade or business carried on by a natural person or in any activity carried on by a person other than a natural person, excluding, however, use by a state or local governmental unit and use as a member of the general public.

(c) The bonds are hereby designated as "qualified tax-exempt obligations" within the meaning of the Code. The City represents that the aggregate principal amount of its qualified tax-exempt obligations (excluding "private activity bonds" within the meaning of Section 141 of the Code which are not "qualified 501(c)(3) bonds" within the meaning of Section 145 of the Code), including those of its subordinate entities, issued in calendar year 1993 will not exceed \$10,000,000.

The City further represents that (i) the aggregate principal amount of its tax-exempt obligations (not including "private activity bonds" with the meaning of Section 141 of the Code), including those of its subordinate entities, to be issued in calendar year 1993 will not exceed \$5,000,000, and (ii) at least

95% of the proceeds of the bonds will be expended for the governmental activities of the City.

(d) The City covenants that it will take no action which would cause the bonds to be "federally guaranteed" within the meaning of Section 149(b) of the Code. Nothing in this Section 19 shall prohibit investments in bonds issued by the United States Treasury.

(e) The City covenants that it will submit to the Secretary of the Treasury of the United States, not later than the 15th day of the second calendar month after the close of the calendar quarter in which the bonds are issued, a statement required by Section 149(e) of the Code.

(f) The City covenants that it will not reimburse itself from proceeds of the bonds for costs paid prior to the date the bonds are issued except in compliance with United States Treasury Regulation No. 1.103-18.

Section 20. There is hereby appropriated to accomplish the improvements the sum of \$51,500 from the Debt Service Reserve currently in the Bond Fund and such funds shall be transferred therefrom into the Construction Fund prior to the bonds being issued.

Section 21. The Trustee shall only be responsible for the exercise of good faith and reasonable prudence in the execution of its trust. The recitals in this Ordinance and in the face of the bonds are the recitals of the City and not of the Trustee. The Trustee shall not be required to take any action as Trustee unless it shall have been requested to do so in writing by the owners of not less than 10% in principal amount of the bonds then outstanding and shall have been offered reasonable security and indemnity against the costs, expenses and liabilities to be incurred therein or thereby. The Trustee may resign at any time by 60 days' notice in writing to the City Clerk and to the registered owners of the bonds, and the majority in value of the registered owners of the outstanding bonds at any time, with or without cause, may remove the Trustee. In the event of a vacancy in the office of Trustee, either by resignation or by removal, the majority in value of the registered owners of the outstanding bonds may appoint a new Trustee, such appointment to be evidenced by a written instrument or instruments filed with the City Clerk. If the majority in value of the registered owners of the outstanding bonds of this issue shall fail to fill a vacancy within 45 days after the same shall occur, then the City shall forthwith designate a new Trustee by a written instrument filed in the office of the City Clerk. The original Trustee and any successor Trustee shall file a written acceptance and agreement to execute the trust imposed upon it or them by this Ordinance, but only upon the terms and conditions set forth in this Ordinance and subject to the provisions of this Ordinance, to all of which the respective owners of the bonds agree. Such written acceptance shall be filed with the City Clerk

and a copy thereof shall be placed in the bond transcript. Any successor Trustee shall have all the powers herein granted to the original Trustee. The Trustee's resignation shall become effective upon the acceptance of the trusts by the successor Trustee.

Section 22. (a) Moneys held for the credit of the Debt Service Reserve in the Bond Fund shall be continuously invested and reinvested pursuant to the direction of the City in direct obligations of, or obligations the principal of and interest on which are unconditionally guaranteed by the United States of America ("Government Securities"), or in certificates of deposit of banks to the extent insured by FDIC, or if in excess of insurance coverage, collateralized by Government Securities, all of which shall mature, or which shall be subject to redemption by the holder thereof, at the option of such holder, not later than ten (10) years after the date of investment.

(b) Moneys held for the credit of any other fund may, at the option of the City, be invested and reinvested pursuant to the direction of the City in Government Securities, in certificates of deposit of banks which are members of FDIC, or other investments as may, from time to time, be permitted by law, which shall mature, or which shall be subject to redemption by the holder thereof, at the option of such holder, not later than the date or dates when such money will be required for purposes intended.

(c) Obligations so purchased as an investment of moneys in any fund shall be deemed at all times to be a part of such fund and the interest accruing thereon and any profit realized from such investments shall be credited to such fund, and any loss resulting from such investment shall be charged to such fund, except that interest earnings and profits on investments of moneys in the Debt Service Reserve in the Bond Fund which increase the amount thereof above the required level shall to the extent of any such excess be transferred from time to time out of the Debt Service Reserve into the Bond Fund.

(d) Moneys so invested in Government Securities or in certificates of deposit of banks to the extent insured by FDIC, need not be secured by the depository bank or banks.

Section 23. The provisions of this Ordinance are hereby declared to be separable and if any provision shall for any reason be held illegal or invalid, such holding shall not affect the validity of the remainder of this Ordinance.

Section 24. All ordinances and resolutions or parts thereof, in conflict herewith are hereby repealed to the extent of such conflict.

Section 25. It is hereby ascertained and declared that the improvements must be accomplished as soon as possible in order to make the System adequate for the needs of the City and its inhabitants, without which the life, health, safety and welfare

thereof are jeopardized, and that the issuance of the bonds and the taking of the other action authorized by this Ordinance is necessary for the accomplishment thereof. It is, therefore, declared that an emergency exists and this Ordinance being necessary for the immediate preservation of the public peace, health and safety shall take effect and be in force from and after its passage.
